## **Join the Movement!**

Attend a local Unmasking Brain Injury event near you! Survivors will create masks of their own as a creative and artistic way to represent their experiences. No previous experience or artistic skills required. Everyone is welcome to participate in this movement across North Dakota to bring awareness to the daily lives of those with brain injury.

## **The Mission**

**PROMOTE** awareness of the prevalence of brain injury.

**GIVE** survivors a voice and the means to educate others of what it's like to live with a brain injury.

**SHOW** others that persons living with a disability due to their brain injury are like anyone else, deserving of dignity, respect, compassion and the opportunity to prove their value as citizens in their respective communities.
