

ONLINE BRAIN INJURY TRAINING

Online Brain Injury Courses offered by the North Dakota Brain Injury Network. We want to help you meet your training needs. These five separate courses can help professionals, survivors, and family members learn more about brain injury.

- Introduction to Brain Injury*
- Cognitive and Behavioral Consequences of TBI in Adults*
- Primary Care and TBI
- Pediatric TBI
- Substance Use and TBI

**Courses required by Department of Health and Human Services. for all direct service providers working with individuals with brain injury. Print and submit a copy of your certificate of completion upon provider enrollment with Medicaid.*

Additionally these courses offer CEU credit for the following disciplines:

- Occupational Therapy
- Nursing
- Social Work
- Counselor Examiners
- Addiction Counseling
- Speech Language Pathology/Audiology
- Psychology
- Emergency Medical Services LCCR/Distributive
- Certified Brain Injury Specialist

NDBIN offers additional educational opportunities and customized on-site training to meet all your needs.

Each course is \$25. Sign up for five courses and receive one for free. North Dakota residents will receive a promo code discounting their courses 100%. Email [Carly Endres](mailto:Carly.Endres@ndbin.org) for the promo code.
